

MyRack - Safety Option 2

SKU: F-MR-SAFE02

Product Images

Short Description

The **Force USA® MyRack Option 2** Box Tube Safety is an excellent upgrade from the Pin and Pipe safety system. Perfect for the athlete training alone, these box safeties will save you on any failed reps, while the nylon-based plastic protective lining will protect your barbell. Enjoy peace of mind and an extra layer of protection when lifting with the **Force USA®** Box Tube Safeties.

Description

Why should you buy the MyRack Safety Option 2 from Force USA®?

MADE FOR HEAVY LIFTING

Are you looking to lift heavy? The **Force USA® MyRack Box Safeties** have your back! Built to withstand a massive 680kg, and lined with a nylon-based plastic protective cover that prevents metal-on-metal contact giving your barbell extra protection. The **Force USA® MyRack Box Safeties** are made for rapid adjustment. This user-friendly design allows you to hold the tube portion between the uprights and move it to insert both ends into place. Once inserted, you simply let the tube flip down and voila!

Attachment is compatible with the **Force USA® MyRack** and **MyRack SpaceSaver** ONLY
