

# MyRack - J-Hook Option 01

SKU: F-MR-JHOOK01

**Product Images**

## Short Description

---

The **Force USA® MyRack J-Hooks Option 1** provides a stable racking platform that can also protect your bar from scratches. Quick and straightforward to adjust, these standard **J-Hooks** are made from 8mm steel with solid pin rods and offer a static weight capacity rating of up to 800 kg!

## Description

---

### Why should you buy the MyRack J-Hook Option 01 from Force USA®?

#### SAFE FOR YOU AND YOUR BARBELL

With safety being **Force USA's** number one priority, **MyRack J-Hooks** also features a unique, precision welded support bracket under the **J-Hook** to provide an added degree of safety and structural integrity. The **J-Hooks** are secured using countersunk Allen bolts and are lined with a textured nylon insert to prevent any damage to your barbell as you rack and re-rack them! Attachment is compatible with the **Force USA® MyRack** and **MyRack SpaceSaver** ONLY
