Product Images

Short Description

The perfect addition to your current **Force USA® All-In-One Trainer**, this **Lateral Row Seat** offers all the support, comfort and durability you need for lat pulldowns to build upper body strength. Lightweight and simple to move,

attach and detach, this is a great way to add more variety to your workouts and keep those motivation levels high.

Description

Why should you buy the Lateral Row Seat G1 V2, G3 V2, G10, G15 and G20 V2 from Force USA®?

KEY FEATURES

DESIGNED FOR FORCE USA ALL-IN-ONE TRAINERS

- This **Lateral Row Seat** is made specifically for owners of the **G1® V2, G3® V2, G10®, G12® V2, G15® and G20® V2 Pro All-In-One Trainers**.
- Simple pop-pin design makes it simple to adjust the height on both the seat and leg rollers.
- Lightweight (**9.5 kg**) and easy to move around so you can keep your workout space neat and tidy.
- Made tough with commercial grade strength for daily use like all **Force USA®** equipment.

COMFORT MEETS DURABILITY

With dense, high-quality foam padding and upholstery on the seat and leg rollers, you have all the comfort and support you've come to expect from **Force USA®**. Add in the heavy gauge structured steel tubing throughout and commercial grade powder coating, **and you'll be enjoying this attachment for years to come!**

SPECIFICATIONS

- **Usage:** Domestic
- **Compatible with:** **G1 V2, G3 V2, G10, G12 V2, G15 and G20 V2 PRO.**
