

Studio FID Bench

SKU: F-SFID

Product Images

Short Description

Transform your workout with the **Force USA Studio FID Bench**, your versatile companion in strength and endurance training. Designed for the modern home gym, this bench **combines adjustability, mobility, and durability** to fit seamlessly into your fitness routine, enabling a broader range of exercises with its customizable settings.

Description

Why should you buy the Studio FID Bench from Force USA®?

EASY MOBILITY

Move it effortlessly. The built-in handle and wheels mean you can rearrange your workout space in seconds, keeping your routine flexible and dynamic.

ADJUSTABLE COMFORT

Tailor your training with independent adjustments for the backrest and seat. Seven back pad and three seat positions offer total control over your workout angles, ensuring every exercise is optimized for your goals.

BUILT TO LAST

With its steel frame, high-density foam, and PVC leather upholstery, this bench stands up to daily use, providing a stable, slip-resistant foundation for your workouts.
