

Commercial Dip Handle DP1

SKU: DP1

Product Images

Short Description

The **bottom accessory** is an **indispensable** and safe tool since it is the **user's** weight that exerts the **only workload**, although you can also add ankle weights and give extra weight to your **movements**.

The **Evolution Line bottom accessory** by **Titanium Strength** has a solid and **resistant construction** specially designed to **support heavy weights** and to train safely in **suspension**.

If you think that **backstroke** is a complete exercise, you're right. With this device, which is installed in your **Titanium Strength rack** in an **easy** and **safe way**, you will be able to work different muscles: **pectorals, triceps, deltoids and abdominals**.

Your functional training is just a click away!

Description

Why should you buy the Titanium Strength Commercial Dip Handle - Evolution Line ?

With the **Titanium Strength Evolution Line backdrop accessory** for Home or Semi Pro use, you can not only perform traditional backdrops, but also include weighted descent exercises, inclined backdrops and suspended backdrops.

You **will work** a large number of **muscles involved**, such as **pectorals, triceps, deltoids, abdominal muscles**.

Moreover, this type of dips **accessory** is compatible with any level: **beginner, intermediate or professional**. Just attach it to your **Titanium Strength machine** and complete your bottom routine easily and safely.

To add complexity you can perform weighted bottoms by adding **ankle weights** or **weights**.

Are you ready for a complete and functional workout that will improve your **fitness, strength and balance**?

Buy your Evolution Line bottom accessory, attach it to your **Titanium Strength Rack** and get started tomorrow.
